@KanuriDurgaPrasad /Kanuri Durga Prasad

SKILLS

- **MERN Stack development, Java Full stack developer, Frontend development**
- **React JS, Java, Spring boot, Java Script, Node JS, Express JS, Mongo DB, HTML, CSS**
- **Python, C++, C programming, DSA (Intermediate)**

EDUCATION

- Electronics and Communication engineering| Pragati engineering College
  CGPA: *6.8* | *(July 2020 - Present)*
- XII (State Board) | Narayana Junior College *95%| 2020*

EXPERIENCE

- **Infosys | Specialist Programmer** *(2024 November - Present)*
  Completed Java Full Stack training at Infosys as a Specialist Programmer, mastering backend, frontend, and database development. Built an E-Pharmacy application using Java, Spring Boot, React, and TypeScript, delivering end-to-end functionality with scalable, responsive, and high-performance solutions.
- **NxtWave | MERN Stack Trainee (Apprenticeship)** **(***2021 September – 2024 April)*
  During my time at NxtWave, I gained hands on experience in MERN stack development by working on real-world projects. I have built E-commerce website and NxtWatch project applications as my training program.

PROJECTS

- **Epharmacy | Java Full stack project (Infosys)**
  Developed an E-Pharmacy web app for browsing and purchasing medicines online, offering a seamless online solution. Built with Spring Boot Microservices and React with TypeScript, ensuring a scalable, responsive, and high-performance experience.
- **NxtWatch Application | YouTube Clone**
  As part of my MERN stack development course at NxtWave, I successfully deployed the NxtWatch application using ReactJS. I utilized NxtWave custom Restful APIs.
- **Nxt Trendz | E-commerce Application**
  As part of my MERN stack development course at NxtWave, I successfully deployed the Nxt Trendz application using React JS and Restful APIs.

POSITION OF RESPONSIBILITY

- *Level-1 First Aid Trainee, Indian Red Cross Society* *(2019 May)*
  Completed professional First Aid training covering emergency response practices and earned certification from the Indian Red Cross Society.

ACHIEVEMENTS / HOBBIES

- Participated in SMART INDIA HACKATHON 2022. I successfully contributed to a Level-2 project focused on VR Medical Education.
- **National Gold medal winner** at 10th National Goju-Ryu Karate Championship-2013.
- Founded '**Learninverse**' YouTube channel on career platforms, achieving 75k+ views.
- Freelance **video editor** with experience working for over 15 clients.
- Passionate about **fitness** and regularly attend the gym to maintain a healthy lifestyle.
